The songs in the archive are a diverse mix of ballads, love songs, drinking songs, and work songs. They reflect the rich and varied history of Scottish culture, and they offer a glimpse into the lives of the people who lived in Scotland over the centuries.

The Compiler: Francis Collinson

Francis Collinson (1876-1953) was a Scottish folklorist and musician. He was born in Banffshire, and he spent his life collecting and preserving traditional Scottish songs.

Collinson was a gifted singer and guitarist, and he had a deep love of Scottish music. He traveled throughout Scotland, collecting songs from singers and musicians in both rural and urban areas.

In 1929, Collinson published *The Wee Red Collins Scottish Archive*. The book was an immediate success, and it has remained one of the most

important collections of Scottish folk music ever assembled.

The Songs in the Archive
