Composer 84 is an advanced music composition software that provides composers and musicians with a comprehensive set of tools for creating and producing music.

In addition to its powerful features, Composer 84 also includes a collection of 84 inspiring music making prompts that can help users overcome creative blocks and generate new musical ideas.

These prompts are designed to spark creativity and encourage experimentation, covering a wide range of topics such as melody, harmony, rhythm, form, and instrumentation.

Whether you're a seasoned composer or just starting out, these prompts can help you break out of your comfort zone and create music that is both

unique and expressive.
