

From the 219 Sedan to the 220SE Cabriolet: A Comprehensive Guide with Excellent Recent Color Photos

The Mercedes-Benz W111 series was a range of luxury cars produced from 1959 to 1971. It was the successor to the W105 series and was available in a variety of body styles, including sedans, coupes, convertibles, and station wagons. The W111 series was a popular choice for celebrities and royalty, and it remains a highly sought-after classic car today.

The 219 Sedan

The 219 Sedan was the first model in the W111 series. It was introduced in 1959 and was available with a variety of engine options, including a 2.2-liter inline-6 and a 3.0-liter inline-6. The 219 Sedan was a popular choice for families and businesses, and it was also used as a taxi in many countries.
