Getting Started

Before you can start playing any tunes, you will need to learn the basics of playing the hammered dulcimer. This includes learning how to hold the hammers, how to strike the strings, and how to read music. There are many resources available to help you learn these basics, including online tutorials, books, and DVDs.

Once you have mastered the basics, you can start learning some fun tunes. Here are a few of our favorites:

1. **Twinkle, Twinkle, Little Star:** This classic children's song is a great way to practice your basic strumming and picking techniques.
2. **Mary Had a Little Lamb:** Another classic children's song that is perfect for practicing your hammer-ons and pull-offs.
3. **Amazing Grace:** This beautiful hymn is a great way to practice your legato playing.
4. **Scarborough Fair:** This traditional English folk song is a great way to practice your fingerpicking skills.
5. **The Star-Spangled Banner:** This patriotic song is a great way to show off your skills on the hammered dulcimer.

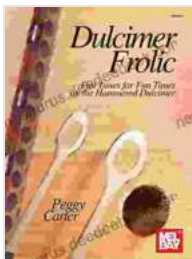

Tips for Playing These Tunes

Here are a few tips to help you play these tunes your best:

- **Use a light touch:** The hammered dulcimer is a delicate instrument, so it is important to use a light touch when playing. This will help you to avoid damaging the strings or the soundboard.
- **Be consistent with your strumming:** When you are strumming the hammered dulcimer, it is important to be consistent with your motion. This will help you to create a smooth and even sound.
- **Pay attention to your dynamics:** The hammered dulcimer is a very expressive instrument, so it is important to pay attention to your dynamics. This means varying the volume and intensity of your playing to create a more interesting and engaging performance.

- **Don't be afraid to experiment:** The hammered dulcimer is a very versatile instrument, so don't be afraid to experiment with different techniques and sounds. This is a great way to find your own unique style of playing.

The hammered dulcimer is a beautiful and versatile instrument that can be used to play a wide variety of tunes. With a little practice, you can learn to play these fun and easy tunes and many more. So what are you waiting for? Get started today!
