- **Start with a theme.** What do you want your quilt to represent? Is it a special occasion, a favorite place, or a loved one? Once you have a theme in mind, you can start to narrow down your choices for fabrics and patterns.
- **Choose fabrics that you love.** The fabrics you choose will have a big impact on the overall look and feel of your quilt. So take your time and select fabrics that you love both visually and tactilely.
- **Consider the scale of your quilt.** The size of your quilt will determine the size of the blocks you use. If you're making a small quilt, you'll want to use smaller blocks. If you're making a large quilt, you can use larger blocks.
- **Don't be afraid to experiment.** There are no rules when it comes to quilt design. So feel free to experiment with different fabrics, patterns, and colors. You may be surprised at what you create!

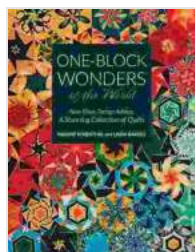

Now that you have some design advice under your belt, it's time to take a look at some stunning quilts. These quilts are all unique and beautiful in their own way, and they're sure to inspire you to create your own masterpiece.
