The Seven Brothers is a famous fairy tale collected by the Brothers Grimm. It is about seven brothers who were all born with a special gift. The eldest could fly, the second could become invisible, the third could stretch his legs indefinitely, the fourth could become as strong as ten men, the fifth could shoot arrows with unerring accuracy, the sixth could talk to animals, and the seventh could heal the sick.

One day, the brothers decided to go out into the world and seek their fortune. They traveled for many days, until they came to a forest. In the forest, they met a wicked witch who tried to trick them. But the brothers were too clever for her, and they escaped her clutches.
