No one is safe from the wrath of the Classroom 13 pranksters. These mischievous masterminds are always cooking up new and elaborate schemes to torment their unsuspecting victims. Their arsenal of pranks includes everything from whoopee cushions to fake spiders to exploding glitter bombs. No one is off-limits, not even the teacher!

The ringleader of the pranksters is a wiry little boy named Billy. Billy is a master of disguise and can sneak up on his victims without them ever seeing him coming. He's also a skilled ventriloquist, and he often uses his talent to make his pranks even more convincing.

Billy's best friend and fellow prankster is a tall, lanky boy named Jimmy. Jimmy is the brains behind the operation, and he's always coming up with new and innovative ways to torment their victims. He's also a skilled hacker, and he's often able to use his computer skills to pull off elaborate pranks.

Tiffany often uses her minions to torment the other students in the class, and she takes great pleasure in making their lives miserable.

Despite the challenges she faces, Mrs. Smith never gives up on her students. She believes that even the most unruly of children can be reached, and she's determined to make a difference in their lives.
