**Epilogue: Echoes that Linger**

**Her Journey's Just Begun**

Don't think of her
as gone away-
her journey has just begun,
Life holds many facets,
the Earth is only one.

Just think of her
as resting from
the sorrows and the cares,
in a place of
warmth and comfort
where there are
no days and years.

Think how
she must be wishing
that we could know today,
how nothing
but our sadness
can really pass away.

And think of her
as living in the hearts
of those she touched,
For nothing loved
is ever lost-
And she was loved
so much.
